The people of the waters that are never still

Vol. XXX No. 8

N8480 Moh He Con Nuck Road • Bowler, WI 54416

March 15, 2023

Stockbridge-Munsee
Police Department

On February 11, 2023 marked the one-year anniversary for missing person Justin Dickenson.

The Stockbridge-Munsee Police Department is still investigating and following up on leads. Anyone with information please call (715)793-4394.

On Saturday April 22, 2023 Stockbridge-Munsee Police Department will be hosting another Drug Take Back Day Event.

The event will be from 10a-2p at the Public Safety Building. If you are unable to make it on that day and would still like to drop off prescription medications please contact me at (715)793-4394.

Lt. Mary Creapeau

Terri Graham is the new Physical therapist

As a Physical Therapist, you typically see mostly people with pain; back pain, shoulder pain, foot pain, etc. but also will help those after surgeries, with sports injuries, who have issues with balance/falling, dizziness, or progressive neurological disorders such as Parkinson's disease or multiple sclerosis. She also sees a wide range of ages from about five years old on up. Graham does not have specialties but has always worked in small, rural clinics and being used to seeing such a wide range to diagnoses that she has never felt that being specialized in one thing would better serve her patients.

Terri is married to her husband of seven years,

Graham Cont on pg Five:

Missing People

Thomas Kazik II - News Reporter

With the increase of missing people in our area, taking a look at agencies and laws that are available to help comes into a lot of conversations. The Wisconsin K9 SOS Search and Rescue Team uses dogs to help locate or track people. The Wisconsin Clearing house for Missing and Exploited Children and Adults is another agency that is used to assist with Missing People. The Savanna's Act requires federal, state, tribal and local law enforcement agencies to update and create protocols to address missing or murdered Native Americans.

In our area, Justin Dickenson (pictured), has been missing since February 10, 2022 and while there have been no updates in the case, his friends and family have created a hotline at (715) 799-5806. There were k-9 searches from these teams looking for Justin, but to no avail.

Search cont on pg Four:

Tribal Food Boxes

Food Boxes are back! Tribal Council voted on and approved 400 food boxes to be given out to enrolled tribal members from March 2023 and going into the summer. Tribal council is working with Charlie's County Market in Shawano to supply the food for these boxes. Each food box is supposed to have 125 dollars' worth of groceries. Meat options, fruits/

veggies, pasta, anything you can use to create your own dinner for you and your family. Currently the Food boxes are one per enrolled household and allowing pick up for three tribal members with proof of different addresses. The food box workers/volunteers want to thank the community after the first round of boxes went

Food cont from pg One: out. The line was long, but with the help of tribal police and conservation to direct it, they kept everyone safe. For those wondering how these food boxes are possible, let's walk through the process. Charlies delivers dried good the day before handing out the boxes. Family center employees and food

distribution employees' package these into 400 bags and set them off the side. The morning of the hand out Charlie's bring the second truck with all the cold/frozen goods, food distribution and family center employees are at from food distribution from 8:30 a.m. until the last food box is handed out and everything is cleaned up.

Search cont from pg One: Wisconsin K9 SOS Search & Rescue responds 24 hours a day when requested by a public safety agency and they do not charge for their service. K9SOS will respond anywhere in Wisconsin and will assist in out of state searches when requested by another search organization or public safety agency. Their team will search for lost or missing persons, and do cadaver work in the following areas: On land, in urban or rural environments, in water and under ice, in standing buildings. They will not search for escaped criminals or persons who may be armed or dangerous. The K9SOS team will establish a mobile operation base on location. All search teams utilize hand-held GPS units to precisely document and map locations searched. All data is then consolidated via computer mapping programs to generate a map of the area covered. For each search, the Search Manager will complete a comprehensive report for the requesting law enforcement, fire, or EMS agency. Search dogs with WI K9 SOS need to be friendly, have the ability for SAR work, and preferably have a double coat for the cold winters. K9SOS team welcomes a variety of breeds suited to SAR work. Their K9s have included German shepherds, golden retrievers, Dutch shepherds, a smooth coated fox terrier, Malinois, and a field spaniel. The dogs certify in one or more of the following specialties: Live Area Scent: K-9s search for live human scent in an area. They are trained in urban and wilderness settings wilderness. K9s certify through a variety of organizations. Cross-trained Live &

Cadaver: Cross-trained K-9s search for live or deceased human scent in an area. They are trained in urban, wilderness, and water settings. Cadaver certifications are obtained through LETS International (Law Enforcement Training Specialists). Human Remains Detection (HRD) Only: K-9s search for actively decomposing human remains in urban, wilderness and water settings. Some K-9s within this specialty search for trace amounts of cadaver such as blood, bone, hair, and teeth. Cadaver certifications are obtained through LETS International. Tracking/Trailing: K-9s work via scent specific items from the missing person, and follow the trail/track of the specific missing individual. Trailing certifications are obtained through LETS and NASDN (North American Search Dog Network) search Teams WI They Savanna's Act was signed into law in October 2020. Savanna's Act, named for Savanna LaFontaine-Greywind of Fargo, North Dakota, a pregnant 22-year-old Spirit Lake tribal member who was killed in 2017, would establish national law enforcement guidelines between the federal government and American Indian tribes. The bill requires federal, state, tribal and local law enforcement agencies to update and create protocols to address missing or murdered Native Americans. The U.S. Department of Justice must provide training to law enforcement agencies on data entry, educate the public on the database, help tribes and Indigenous communities enter information in the database, develop guidelines for response to missing or murdered

Indigenous people, provide technical assistance to tribes and law enforcement agencies and report data on missing or murdered Native Americans. The Wisconsin Clearinghouse for Missing & Exploited Children and Adults actively assists law enforcement officers, victims and victim families in search, recovery and reunification in cases involving abducted, missing and/or exploited children and adults. The Wisconsin Clearinghouse for Missing and Exploited Children and Adults actively assists law enforcement, victim families, the National Center for Missing and Exploited Children and other missing children organizations in cases involving missing children, human trafficking victims and children who are victims of enticement via the Internet. Wisconsin's Clearinghouse provides technical investigative

assistance, referrals and advocacy in navigating the criminal justice system, along with other resources, services and information, to victim families of children and adults who are missing and considered endangered in the state of Wisconsin, nationwide and internationally. The Wisconsin Clearinghouse provides training to law enforcement, social workers, victim advocates, educators, victim service providers and sex offender specialists statewide. In addition, the Wisconsin Clearinghouse participates in a variety of community events, conferences and training programs to promote awareness regarding abducted/missing and exploited children, and to provide information about Wisconsin's Amber Alert system and about the resources and services available to Wisconsin citizens through the Wisconsin Clearinghouse.

MISSING

JUSTIN LEE DICKENSON

Housing Projects

Current Projects

Small Homes. The Housing Department was awarded \$369,995.00 from Housing and Urban Development (HUD) of American Recovery Project funds. The Tribe was required to write a plan and submit it to HUD for approval. Since that time the Housing staff has worked to secure an architectural firm to design the small homes. Currently the plans are nearing completion and will go out for bids in the next month. The homes will be located in the Taconic subdivision and will be added to low-income one-bedroom inventory. It is anticipated these homes will be constructed in the summer of 2023.

Architecture Projects

2- Duplex's and 6-unit apartment building. The Tribal Council has supplied the Housing Department with funds to develop architectural plans to have 2 rental duplexes and a

6-unit apartment building designed. If built, the duplexes would be located in Red Springs Township in the proximity of the nursery. The 6-unit apartment building will be much like the current apartments located in Ah Toh Wuk Court. The exact location of the apartment building has not been determined but it may be in that general area. Architectural firms are currently under contract to design both of these projects.

Grant Applied For

The Tribe, through the Housing Department, has applied for a 5-million-dollar competitive grant through HUD to construct 13 low-income homes and 2 low-income 1- and 2-bedroom apartment buildings. This is the third time the Tribe has applied for this grant. HUD has not stated when the funds will be awarded.

Updates and progress of these projects will appear in the Mohican News.

Graham cont from One:

Jake. They have two boys: Henry (three) and Jack (one). They live on their family farm near Caroline raising beef cattle. The family also has two pet pigs, one that they do let in the house. Prior to moving to their family home, they lived near Mattoon for about three years and in Tigerton for two years.

Graham received both her bachelor's degrees in rehabilitative science and her doctorate in physical therapy from Concordia University in Mequon. Although she spent seven years in school there she did not stay in the greater Milwaukee area, rather came back home to do clinicals and then work.

Terri has worked around the area since graduating in 2015. She spent six years at Marshfield Clinic in Wittenberg, several months a Long Chiropractic Center in Wittenberg, and a short bout at Advanced Physical therapy and Sport Medicine in Clintonville. In past years she worked part

time at the Stockbridge Munsee Health and Wellness center, Eastview nursing home in Antigo, and the Homme Home in Wittenberg.

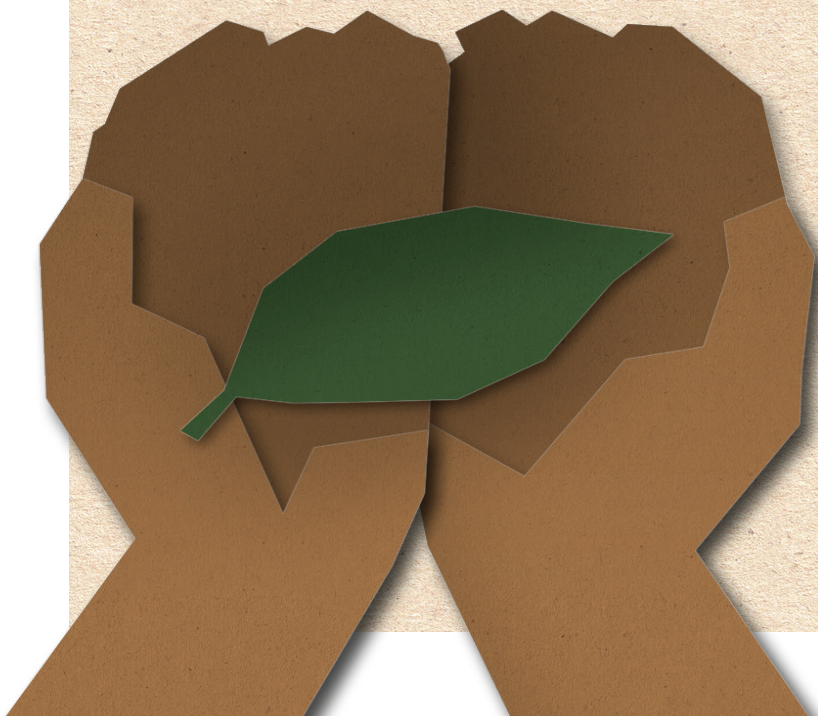

Her small children are currently by hobbies, interests and everything else it seems. But they do really like the outdoors. She and her children spend as much time outside as possible. they like to hike in the woods and fields at home. As a family they go out fishing often whether it's on the ice, in a boat, or on shore. Graham grew up doing water sports such as skiing, wakeboarding, and kayaking and as her children grow she hopes to get them to enjoy these activities also. Her family recently purchased a cabin up north on a lake near Rheinlander so will get to spend even more time on the water. Terri has always enjoyed exercising and is trying her best to get back into this since having kids. Running was always her favorite and she has done two half marathons in past.

2023 Garbage & Recycling Guide

Environmental Department
N7689 Koan Tuk Drive
Bowler, WI 54416
715-793-4819

The Stockbridge-Munsee Community Residential Automated Collection Program for garbage and recycling is designed to make collection easier and more cost effective for tribal members and the Tribe. Tribal members should place all household garbage into the black-lidded garbage cart and all recyclables into the green or blue-lidded recycling cart. Garbage and recyclables are collected every week by an automated vehicle.

Garbage & Recycling Collection Guidelines

- Place all household garbage into the black-lidded garbage cart and all recyclables into the green/blue-lidded cart. **see disposal guide for acceptable recyclables**
- All garbage waste must be bagged and all wastes must fit properly inside their respective cart with lid shut. Any refuse that is outside of the carts will not be collected.
- All recyclables shall be placed loosely inside the recycling cart. **No plastic bags or garbage items.**
- Rinse clean all plastic, glass, and metal bottles/containers and remove any lids/caps. Lids/caps should be discarded into the garbage.
- Place carts so the lid opening is facing the street. Leave 4 feet between carts and any obstacles. Be sure there are no obstructions in front of the carts.
- Carts must be set out for collection **no later than 6 am** on the date of pickup. Any garbage/recycling not out by 6 am may not be picked up until your next scheduled collection day.
- If you need a replacement cart, contact the Environmental Department for assistance. **Fees may apply.**

Occasional excess garbage: For an occasional need for extra garbage disposal, try one of the following options:

- Check with a neighbor to see if they have extra room for your waste materials in their cart(s).
- Hold the excess waste materials for disposal for the following week.
- Take waste for disposal to Marathon County Solid Waste. Disposal fees may apply. (877) 270-3989; 172900 WI-29, Ringle, WI; www.marathoncountysolidwaste.org
- Purchase an additional cart. Contact the Environmental Department for more information.

Other Than Curbside Collection and Spring/Fall Cleanup

Items not picked up at curbside may be disposed of at the following locations. **Charges and limitations may apply.** Please call each location for more information and for any requirements they may have. Inclusion on this list is not intended to imply endorsement by SMC, nor is exclusion intentional. Contact the Environmental Department at 715-793-4819 if you need assistance.

LEXIS NEXIS CONTRACT AGREEMENT - Tony Granquist, Interim GM

Motion by Sara Putnam to adopt resolution 022-23 NOW THEREFORE BE IT RESOLVED THAT, the Tribal Council hereby authorizes the Tribal President or, if unavailable, the Vice-President to execute Application and Agreement as well as supporting documents to obtain services from LexisNexis Risk Solutions FL Inc.; and

BE IT FURTHER RESOLVED, that the Tribal Council hereby grants and approves a limited waiver of the Tribe's sovereign immunity solely for the limited purpose of enforcement of this agreement, including the resolution of disputes and the enforcement of determinations or awards, against the Tribe; and BE IT FINALLY RESOLVED, that the waiver of sovereign immunity for the Tribe is also limited to the terms and conditions set forth below:

1. The limited waiver of the Tribe's sovereign immunity is granted only to and for the benefit of the parties identified as part of the agreement(s) that the Tribe has executed and shall not extend to any other entity or person.

2. The limited waiver of the Tribe's sovereign immunity contained in this Resolution shall be effective only after the parties' officially designated representatives have executed the agreement(s) and shall only be for the ten of the agreement(s).

3. Nothing contained in this Resolution shall be deemed consent to levy of any judgment, lien, or attachment upon

any property or interest in property of the Stockbridge-Munsee Community.

4. The limited waiver of sovereign immunity granted and approved through this Resolution does not waive the sovereign immunity of any official, employee, member or agent of the Tribe.

5. Any dispute resolution action against the Tribe, as consented to through this limited waiver of sovereign immunity, shall be brought in the form and venue identified in the agreement(s). The law to be applied, if no law is otherwise identified, shall be federal law.. Resolution adopted. Second by Jeremy Mohawk. Motion carried.

Menominee Vocational Rehabilitation Program

**Need help securing employment?
 Vocational Rehabilitation might be Right for you!**

To be eligible for VR assistance you need to meet the following requirements:

- Enrolled member of a federally or state recognized Native American tribe
- Have a physical or mental impairment that results in a substantial impediment to employment
- Reside on the Menominee Reservation or within 30 miles
- Require VR services to prepare for, secure, retain, regain or advance in employment

We have successfully placed our consumers for work at the Menominee Casino Resort, Maehnowesekiyah, Food Distribution, Sr. Verna Fowler Library, Headstart, Community Technology Center, Tribal Conservation, Historic Preservation, just to name a few. It's our job to help our consumers find a job.

Stop in and see us at CMN or any of our off-site locations (Stockbridge-Education Department 1st Monday of the month, Shawano; 2nd Monday of the month, Maehnowesekiyah; 3rd Monday of the month, and Neopit- Menominee Tribal Enterprises; 3rd Tuesday of the month).

Call or visit in person or online today to begin your referral application process
