Face Masks and Face Shields for Tribal Veterans

The National American Indian Veterans Association Commander Don Loudner has secured Face masks for Tribal Veterans to supply Tribal Veterans with needed Personal Protective Equipment.

I will be at the Mohican Veterans Lodge from 1430 to 1630 on Thursday, June 25, 2020 to hand these out to all Tribal Veterans.

I will also be handing out some informational brochures and items I received from the VA for stress relief and home safety.

Please come get some masks and face shields and use these while home or while out getting essentials for your home.

Please have on a mask and maintain cover and alignment in a safe distance (6 feet) while waiting for these supplies.

Respectfully,

A handwritten signature in black ink, appearing to read "Gregg W. Duffek", with a long horizontal flourish extending to the right.

Gregg W. Duffek, TVSO
