

Mandatory all employee COVID Testing

The Stockbridge-Munsee Community and North Star Mohican Casino have scheduled mandatory employee COVID-19 testing during the period of June 17th-26th. This is being coordinated as another effort to reduce the spread of COVID-19 and provide further efforts to keep the COVID virus out of the surrounding community. Employee COVID-19 testing is one of several efforts implemented as part of the ongoing response to the COVID-19 pandemic. The Tribe has modified its safety program to establish best practices for the workplace in order to reduce opportunities for virus transmission including a workplace related medical surveillance program for COVID-19 that includes mandatory testing.

All current employees are required to complete this testing. The schedule for testing is as follows:

- **Stockbridge-Munsee Health and Wellness Center employees**: June 17, 18, 19.
- **All Tribal & C-Store employees** (excludes Gaming Commission, Compliance, Gaming Audit, Surveillance): Monday June 22nd from 7:00am-5:00pm.
- **All North Star Mohican Casino, Pine Hills, Gaming Commission, Compliance, Gaming Audit, and Surveillance staff**: June 24-25 from 7:00am-7:00pm.

****Employees are required to report to their assigned date/time/location to complete the testing.****

Employees should look for internal communications from Human Resources and their management teams regarding the scheduled testing dates and times along with detailed instructions and information on the testing procedures.

The Tribe has adopted these safety measures and policies to enact appropriate safeguards to ensure employee safety. All employees are required to participate regardless if they have previously tested or not.
