Fish Shocking Study on the Red River

Thomas Kazik II – News Reporter

The Stockbridge Munsee Community took part in some fish shocking. Water Recourse Technician Josh Jensen, Hydrologist Alex Brauer, and Wetland Specialist Mike Jones used a barge shocker to do a fish study on the Red River. The three of them were assisted by Belasaire Vele and Logan Blum who both work as summer youth helpers.

Bill Burr Retirement

By: Thomas Kazik - Reporter

A bittersweet see you later was held for William “Bill” Burr on Tuesday, July 21, 2020. Council Member Craig Kroening, Jr., along with the Mohican Family Center’s Safety Manager, Joe Miller, presented Bill with a Tribal Pendleton blanket and a couple jars of the Kroening Family’s homemade maple syrup. After 16 years of service to the Stockbridge-Munsee Community, Bill is officially retired. Burr served as a housekeeper, traveling from building to building and ended his days stationed at the Mohican Family Center. Bill was that happy face that always stopped to greet you when you visited, and if you need to chat, his ear was always available.

At 74 years young, Bill decided it was time to exit the workforce and begin his retirement. With his newfound free time, he will enjoy Bill continued on page Five:

MMIW Chairperson Holsey Participates in Ribbon Cutting

On July 27, 2020, U.S. Secretary of the Interior David L. Bernhardt, Advisor to the President Ivanka Trump, and Assistant Secretary - Indian Affairs Tara Katuk Sweeney established the first of seven offices dedicated to solving cold cases involving missing and murdered American Indians and Alaska Natives. Tribal leaders from multiple reservations, and others, including a Tribal drum were also there to represent the tribes in the areas being served to bring to the forefront the issue of Murdered and Missing Indigenous Women (MMIW). Stockbridge-Munsee President Holsey stated as Co-Chair of the NCAI Violence

Rudy’s Garden

By Jeff Vele - Editor

Colleen and Joseph Rudesill of Rudy’s Garden have been working hard and putting in long hours this year and every year for the last eleven years to make this happen. Rudy’s Garden strives to be an ever-increasing source of fresh vegetables from the garden to your table because they are so close to the reservation. The couple started Rudy’s Garden in the spring of 2009 with just a few vegetables. In the summer of 2015, they added the hoop Rudy’s continued on page Five:
2020 Election News

The Caucus is being held on August 15, 2020. For those of you who are running for Tribal Council in the upcoming October 10, 2020 election please put your platform and a picture together and submit them to the Mohican News at mohicannews.submissions@mohican-nsn.gov by September 4, 2020 at 4:30 pm.

For those of you who decide to run after the Caucus, the Ordinance states: Section 49.5 Nomination Outside of the Caucus and Close of Nominations

(A) Any eligible tribal member shall have the privilege of running for tribal council if not nominated during the caucus provided that he/she presents to the Election Board a petition form bearing the name, enrollment number, date of birth and signature of at least fifteen (15) qualified tribal voters prior to the close of nominations.

(B) Nominations shall be closed as of the end of the working day on the Friday before the first (1st) Saturday in September. This year that will be September 4, 2020 (My emphasis).

The Primary Election (if needed) will be held on September 4, 2020 in the evening. The Election will be held on October 10, 2020.

Election Procedures:

Masks are required for all.

Children under the age of 21 will not be allowed in the voting area.

When you enter the voting room you will be required to sanitize your hands.

You will then proceed to the first Clerk station where you will present your Tribal Identification card. You may be asked for your name and/or Tribal Identification number.

You will then proceed to the next Clerk station where your identity will be verified.

You will then proceed to the Teller station where you will receive your ballot.

You will then be given a pen to use for marking your ballot. The pen is yours to keep, so please take it with you when you leave the voting booth.

After you have made your choices in the voting booth, or at the separate table for those who need or want to use it, you will place you ballot into the tabulation machine.

You will then proceed out of the building via the marked door.

New Solid Waste and Recycling Service

Reimbursement Procedure

There will be a change in the way the garbage fee will be handled starting during the 2020 tax season.

Tribal members will now be responsible to complete and submit a voucher for reimbursement for their garbage fee on their tax bill.

This new process applies to Tribal members living within the historic reservation boundary that don’t already receive solid waste collection through the Tribe’s current contractor.

Those that qualify will be required to obtain a voucher, which will be mailed this fall, and return the completed form to Tribal finance by April 15th. The individual applying for reimbursement must show proof of property ownership (ex. name on the tax bill). Reimbursement checks will be mailed within 2-4 weeks of submission. Only ONE reimbursement voucher can be submitted per individual no matter how many properties are owned.

In the past, the responsibility fell upon the Tribe to ensure the garbage and recycling portion of the township taxes was paid on time.

The responsibility will now be on the eligible tribal member to receive reimbursement for their costs. With the old system, a list of qualifying Tribal members living in the township of Red Springs was created by Tribal staff. Inevitably, the list was constantly changing from year to year based on people moving and buying and selling properties.

In addition, the town of Bartelme recently ceased to provide waste and recycling pickup for its residents (not covered by tribal contracted services). This new procedure will help maintain fairness across the two townships and among Tribal members.

Keep an eye out in the mail for complete instructions as well as a voucher to be used for your 2020 garbage bill.

If you have any questions, feel free to contact the Environmental Department at 715-793-4819.

NOTICE TO LAND ASSIGNMENT HOLDERS

The Tribe, in conjunction with Wittenberg Telephone/Cirrinity, is bringing high speed internet to the reservation and surrounding communities in partnership with Wittenberg Telephone. Part of this process involves preparing the route for the high-speed fiber along the roadway and the route to individual homes that sign up for this service. As part of the route preparation, tribal employees and others authorized by the Tribe may be on various land assignments from the Tribe and along tribal roadways marking the route, designating wetlands and invasive species areas to ensure proper precautions are taken. These activities will largely be occurring from July 2020 to June 2021.

If you have any questions about the project or these activities, please feel free to contact broadband@mohican-nsn.gov.

TO THE EDITOR:

I’m running as an Independent for Menominee-Shawano County District Attorney November 3rd because our community deserves an efficient and effective DA’s office. I currently live on my family’s dairy farm in Tigeron where I grew up. I’m the sixth generation to live on the family farm, and I’m a 7th generation Shawano County resident. I moved home after law school because I wanted to make a difference in my community and to help the people that gave me so much growing up.

I strongly believe our community can do better in effectively prosecuting crime. I’m running because I believe that in order to face the challenges of our time, we must be simultaneously tough on crime and smart on crime. We need a DA who can consider the downstream effects of prosecutorial decisions; someone who understands that life is not black and white.

Since 2018, our Counties had seven felony cases dismissed because the DA’s office failed to file routine paperwork on time, including two felony cases dismissed the day of Jury Trial because the DA’s office failed to file the routine paperwork on time. This isn’t normal and frankly, I’m befuddled on how it happened.

I strongly believe our community can do better in effectively prosecuting crime. I’m running because I believe that in order to face the challenges of our time, we must be simultaneously tough on crime and smart on crime. We need a DA who can consider the downstream effects of prosecutorial decisions; someone who understands that life is not black and white.

Our Counties need a DA who is able to think outside of the box and who is willing to listen to differing opinions and ideas. We deserve a DA who is willing to look to other counties for the best practices in addressing the drug epidemic; someone who is able to work as a team within the County to implement the best practices. This is the time for our District Attorney to be hands on in his approach to attacking crime and not to be sitting on the sidelines letting others do the work. Our Counties need a DA who is capable of managing an office with the resources we have, not the resources we want.

Shawano isn’t a “normal” county, and many attorneys refuse to practice here because of how backwards DA’s office operates. Over the next few months, I will educate the taxpayers on the practices of current DA’s office and talk about what we need to do differently.

Veterans Corner

Gregg W. Duffek, Tribal Veterans Service Officer

ATTN: Linda Mohawk-Katchenago
State driver licenses and IDs

Wisconsin driver licenses or IDs are the most common forms of identification used for voting purposes. Wisconsin Department of Transportation Division of Motor Vehicles (DMV) encourages voters to check and be sure that they have the proper identification.

The Wisconsin Elections Commission notes there are other forms of identification that are valid for voting purposes, such as military or student ID cards. A federally-compliant REAL ID card, with a star in the upper right corner, is not required for voting purposes. There is no separate “voter ID.”

Voters can turn to DMV for help. To obtain an official state ID card, certain documents, such as a birth certificate, are required. If all documentation is not readily available, the ID Petition Process (IDPP) can be used to obtain a receipt valid for voting while the remaining documents or verifications are obtained. DMV offers this service and ID cards for voting purposes free of charge. DMV’s toll-free Voter ID hotline at (844) 586-1889 is available for questions on obtaining an ID to vote.

We have designated the Family Center for the community and the Eunice Stick Gathering Place for the Elderly.

Anyone using the Shelters will need to wear a mask at all times, social distance of 6 feet while in the shelter. Temperatures and health questions will be taken and asked before entering shelters. More information can be found in the plan.

Questions, feel free to contact: Molly Welch
Public Safety
Administrative Assistant/Fire Coordinator
W13455 Camp 14 Road
Bowler, WI 54416
(715) 793-4555
molly.welch@mohican-nsn.gov

no assessment or nurse visit is required during the pandemic. We do still have paperwork that needs to be completed for reporting purposes.

Please don’t hesitate to call us if you have a question or concern, we will do our best to help you or find out who can.

Take good care of yourselves, stay safe, wear your mask when you are out and about, social distance when you are able to. We are thinking of you and send Best Wishes to all!

Kristy Malone, Manager

Directives

On Tuesday, July 21, 2020, the Stockbridge-Munsee Tribal Council held a Regular Tribal Council Meeting and at that time the following actions were taken:

Roll Call:
Shannon Holsey; Present
Jolene Bowman; Present
Terrie Terrio; Present
Jeremy Mohawk; Present
Martin Welch; Present
Marv Malone; Present
Craig Kroening Jr.; Present
APPROVAL OF AGENDA:
Add: Correction to July 9, 2020 Motions
CARES ACT: COVID Storage Project and General Welfare
May Financials for Posting Executive Session an Appeals
Clarification
Motion by Jolene Bowman to approve the agenda of Tuesday, July 21, 2020 as presented. Seconded by Terrie K. Terrio. Motion carried.
OPEN AGENDA:
MEETING MINUTES: Tuesday, July 7 and Thursday, July 9, 2020
Motion by Jolene Bowman to approve the meeting minutes of Tuesday, July 7, 2020. Seconded by Martin Welch. Motion carried.

Motion by Martin Welch to approve the meeting minutes of July 9, 2020. Seconded by Jeremy Mohawk.

Motion maker concurs with second that the language Roderick Pecore Sr., needs to be changed to Roderick Pecore Jr and enrollment pending upon relinquishment of other Tribal Membership. Motion carried
FINANCIALS STATEMENTS (for posting): February, March, April May 2020-Amanda S., CFO
Motion by Terrie K. Terrio to post the financial statements of February, March, April and May 2020. Seconded by Jeremy Mohawk. Motion carried.
COVID ASSISTANCE TO BOWLER AND GRESHAM SCHOOLS-Amanda Stevens, CFO
Motion by Terrie K. Terrio to approve authorizing monies for the Bowler and Gresham School Districts for COVID related items in hand and ordered by September 30. Seconded by Martin Welch. Motion carried.
CARES ACT- General Welfare-Shannon Holsey, President
Motion by Terrie K. Terrio to approve the Tribal President’s recommendation monies out of the COVID money for general welfare purposes for SM Tribal Members. Seconded by Martin Welch. Motion carried.
COVID Storage Project-Martin Welch, Council Member and Allen Quinney, Executive Director
Motion by Terrie K. Terrio to approve and turn out to RFP for the COVID Storage Project. Seconded by Jeremy Mohawk. Motion carried.

DIRECTIVES:

TO LAND ASSIGNMENT HOLDERS, FIBER PROJECT: Brian McDonald, CIO
Motion by Jeremy Mohawk to approve sending to Land Assignment Holders informing them of the fiber project and the need to access certain areas on the assigned land in preparation and installation of fiber project. Seconded Marv Malone. Motion carried.
FIRST NATIONS DEVELOPMENT INSTITUTE GRANT: Brian McDonald, CIO
Motion by Terrie K. Terrio to approve accepting grant from First Nations Development Institute. Approved by Jeremy Mohawk. Motion carried.
COVID Storage Project-Martin Welch, Council Member and Allen Quinney, Executive Director
Motion by Jeremy Mohawk to approve sending to Land Assignment Holders informing them of the fiber project and the need to access certain areas on the assigned land in preparation and installation of fiber project. Seconded Marv Malone. Motion carried.

Correction to July 9, 2020
Motion by Jeremy Mohawk to approve accepting grant from First Nations Development Institute. Approved by Jeremy Mohawk. Motion carried.

Congratulations Graduates!

River Otradovec – BS in Human Development, First Nation Studies and Psychology with an emphasis in General Psychology
Jennifer Sparks – BS in Social Work and a Culture and Communities Certificate
The Shawano County Historical Society is a 501(c)3, Non-profit organization with a mission to “preserve the culture and history of Shawano County by creating a vibrant learning experience and serving as a repository for current and future generation.” They envision a future where they can “enrich people’s lives through history.”

The first in a series of cemetery walks over the coming years focusing on veterans, Headstones: Civil War Stories will be available after the event.

About Headstones: Civil War Stories, volunteer Ben Dudzik said “I am excited to be working on this event. Shawano residents have a rich history in making great impacts in their community and country. It’s time we honor those individuals who risked their lives and brought their passion for community and country back home. By telling the stories of these individuals, we really get to highlight what is so special about our area.”

The Shawano County Historical Society will be available after the event.

SHAWANO, WI—The Shawano County Historical Society, in conjunction with the Shawano Parks and Recreation Department, will present Headstones: Civil War Stories, on September 12, 2020 at 5:30 pm at the Woodlawn Park Cemetery. This event will be free to the public.

Headstones: Civil War Stories to Take Place on September 12, 2020

The first in a series of cemetery walks over the coming years focusing on veterans, Headstones: Civil War Stories will examine the fascinating lives of 6 of Shawano’s own Civil War Veterans buried in the Woodlawn Park Cemetery. Join us as we explore the lives of Julius & Lucius Murray, Stephen Gardner, John Schweers, Theodore Dodge, and Robert Jackson. Stay for a special ceremony commemorating Nathan Lake, the last surviving Civil War veteran in Shawano County. Prepackaged historical snacks and a special civil war exhibit featuring collections from the Shawano County Historical Society will be available after the event.

The Shawano County Historical Society is a 501(c)3, Non-profit organization with a mission to “preserve the culture and history of Shawano County by creating a vibrant learning experience and serving as a repository for current and future generation.” They envision a future where they can “enrich people’s lives through history.”
MMIW cont from page One:  
Against Women’s Task force and a member of the Wisconsin MMIW Task Force, added that the MMIW crisis requires acknowledging that the crisis exists, understanding the deep and complex roots underlying the crisis, and taking meaningful action to provide justice to the missing and murdered Native women and girls. According to the Federal Bureau of Investigation’s National Crime Information Center, there are more than 1,200 unresolved American Indian and Alaska Native missing person cases in the U.S. To address this crisis, President Trump signed Executive Order 13988 on November 26, 2019. Holsey added, “While there is so much that needs to be done to stop the violence perpetrated on Native women and girls, I appreciate the Administration for taking the bold step in this important initiative. As a Tribal leader, I look forward to continued engagement on this issue and identifying meaningful actions the Federal Government and Tribes can take to address this tragic, ongoing crisis to improve prevention and intervene for those in crisis, and support individuals, families, and communities in need of healing.”

President Trump’s Executive Order established the Operation Lady Justice Task Force, a multi-agency effort co-chaired by Secretary Bernhardt and U.S. Attorney General William P. Barr. Its purpose is to enhance the operation of the criminal justice system and address the staggering number of missing and murdered American Indian and Alaska Natives. Secretary Bernhardt said, “The BIA-OJS’s partnership with the Department of Justice’s Missing and Unidentified Persons System, known as NamUs, has led to the development and implementation of new Tribal-affiliation data fields to assist law enforcement with capturing information to track missing and murdered persons in Indian Country. Since the addition of these new data fields last year, there has been a 60 percent increase in Native-person entries into the system.”

President Shannon Holsey ended by saying, “Alarmingly, law enforcement officials in tribal community’s often lack access to the data and resources necessary to prosecute and prevent these crimes. We must do more to ensure public safety in our Native communities. The goal should be to provide tribal law enforcement with the tools they need by expanding access to federal criminal data bases, streamlining recruitment and retention procedures, and supporting best practices for investigating and prosecuting cases in Indian country, and advocating for restoring local control to tribal criminal justice systems. It is critical that we begin to address the jurisdiction to prosecute non-Native perpetrators of violent crime, rather than increasing federal involvement.”

Fish cont from page One:  
station length. Station length is automatically set for streams with a mean stream width less than 10ft. Station lengths do not have an upper length limit. Fish sampling will be accomplished using a backpack or barge shocker. General guidelines for the determination of barge versus backpack shocking gear can be made by assessing mean stream width and substrate composition. Streams that are greater than 15 ft. in width and that lack a predominance of large boulders or fallen trees will be surveyed with the barge shocker. The backpack shocking gear will be used on streams that are less than 15ft in width or that contain a large amount of boulders or fallen trees that obstruct the use of the barge. The backpack shocker requires at least a three person crew. The primary responsibility of the crewmember wearing the backpack shocker is to cover all habitats thoroughly and efficiently, be aware of the location of the anode and cathode at all time, and suggest the modification of settings based on the condition of the shocked fish. The second crew member will carry a five gallon bucket, use a dipnet to capture fish, and transfer fish to the 5 gallon bucket. The second crew member is responsible for the requested modification of gear, the reporting and maintenance of the condition of fish in the 5 gallon bucket, the monitoring of the cathodes placement, and the safety of the shocker. General settings for the backpack shocker are: pulse rate of 60 Hz, duty cycle of 12.5%, and a Voltage set at least 1 Amp 100 Volt output. The barge shocker requires at least a three person crew and can utilize up to five crew members. The three person crew consists of an anode, a cathode, and a mule. The stream is divided into three sections, which each member is responsible forCovering. The distance between crewmembers should not exceed 8 ft, which is equivalent to the sweeping distance of the anode. Streams with mean widths that are greater than 50 ft. should be shocked with multiple barges. The wings are responsible for completely sampling all habitat, netting and transplanting fish into the mules net or the live well, monitoring the condition of fish, ensuring that the reeles are not damaged by excessive removal of cord, and the safety of other crew members. The wing on the right side of the boat is responsible for the maintenance of the generator. The wing on the left is responsible for water replenishment of the live well. The mule is responsible for the transmitting power to the anodes, ensuring that all safety precautions are occurring, monitoring the condition of captured fish, monitoring the health of fish in the live well, transporting fish from the mules into the live well, monitoring voltage and amperage, and monitoring the amount of cord the wings are extracting from reeles (excess cord removal will damage the cord reeles). General settings for the barge shocker are a 5 and 200 V output. The mule can select between a low and high voltage setting. The low voltage selection should be used as often as possible. The generator will trip a circuit breaker if power is drawn at a greater rate than the generator can safely produce. The throttle on the generator can be adjusted to increase output by using a screwdriver to tighten the throttle screw. A single electroshocking run is made from the downstream to upstream end of the station. The species count (length and weight of all game species optional) should be recorded on the Stream Fishery Datasheet. Counts of all non-game species should also be recorded. The Stream Fishery Datasheet should be completely filled out at each sampling location.
On Tuesday, August 4, 2020, the Stockbridge-Munsee Tribal Council held a Regular Tribal Council meeting at that time the following actions were taken:

Roll Call: Jolene opposed, Terrie yes, Martin yes, Craig abstain and Marv yes. Motion carried.

Motion by Martin Welch to accept resolution 057-20, which approve the meeting agenda as amended for August 4, 2020. Seconded by Martin Welch. Motion carried.

APPROVE SOP FOR LOCKBOX FOR COMMUNITY EMS-Amanda Messer, EM/EMS
Motion by Jolene Bowman to approve the SOP for the lockbox for Community EMS as presented by EMS, Amanda Messer. Motion carried.

APPROVAL OF AGENDA-MEETING MINUTES-
Motion by Terrie K. Terrio to approve the meeting agenda as amended for August 4, 2020. Seconded by Martin Welch. Motion carried.

APPROVAL OF AGENDA-MEETING MINUTES-
Motion by Terrie K. Terrio to approve the regular Tribal Council Meeting minutes of Tuesday, July 21, 2020. Seconded by Martin Welch. Motion carried.

CLARIFICATION OF MOTION-
Motion by Terrie K. Terrio to clarify that the blood quantum for Sterling Schreiber Jr. and Brock Schreiber should be classified as 1/4. Seconded by Jolene Bowman.

Roll Call: Jolene opposed, Terrie yes, Martin yes, Craig abstain and Marv yes. Motion carried.

APPROVAL OF AGENDA-MEETING MINUTES-
Motion by Terrie K. Terrio to approve the regular Tribal Council Meeting minutes of Tuesday, July 21, 2020. Seconded by Martin Welch. Motion carried.

August just doesn’t feel right

Due to the Covid-19 Pandemic many things we as a community do have been changed this year. Most notably is our annual Powwow. People from many tribes come to share this weekend with us every year. Watching the children dance, thanking our veterans for their service, enjoying a good Indian taco from your favorite food stand. All of these things are done while embracing our culture with friends and family.

This is a reminder from the Mohican News to Be safe, Wear your mask, and Socially Distance.

Land description: Lot 1 of Taconic Subdivision Section 27 T.28N-R.13E Bartelme, Approx. 1 acre. All in favor, motion carried.
Frequently asked COVID Questions

**Contact/Spread**

**How can I stop the spread of COVID-19?**

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

Outside your home: Put 6 feet of distance between yourself and people who don’t live in your household. Remember that some people without symptoms may be able to spread virus.

Inside your home: Avoid close contact with people who are sick. If possible, maintain 6 feet between the person who is sick and other household members.

Cover your mouth and nose with a mask when around others. You could spread COVID-19 to others even if you do not feel sick. The mask is meant to protect other people in case you are infected. (Masks should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.)

Always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow and do not spit.

Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.

Monitor Your Health Daily. Be alert for symptoms. Watch for fever, cough, shortness of breath, or other symptoms of COVID-19. Especially important if you are running essential errands, going into the office or workplace, and in settings where it may be difficult to keep a physical distance of 6 feet.

Report your symptoms to the Stockbridge-Munsee Health and Wellness Center and your employer.

If I touch something at work, and mouth

**Isolate at home and do not have others over. You will need to isolate for 14 days after the sick person is off of quarantine or your last contact with the sick person.** If possible, maintain 6 feet between the person who is sick and other household members.

Always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow and do not spit.

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

Avoid touching your eyes, nose, and mouth with unwashed hands.

Clean AND disinfect frequently touched surfaces.

**Testing**

Can I get tested for COVID-19 at the SMHWC?

Yes, if you receive care from the SMHWC, or if you are a community member, or if you are an employee of the Stockbridge-Munsee Community and North Star, or if you are referred by SMHWC contact tracers.

What do I need to be tested?

Call triage at 715-793-5087 to schedule the test.

What Tests are available?

The SMHWC frequently uses a nasal swab collection that is sent out to the reference lab. The clinic also has an in-house rapid test.

Are Rapid Tests Effective/Accurate?

Yes, the clinic offers rapid tests through Abbot ID Now testing platform. These tests can be completed in approximately 20-30 minutes. These tests are as effective as the send out lab tests in detecting COVID-19, but they return a higher level of false positives.

Why doesn’t the clinic use only Rapid Tests since the results are available quicker?

The clinic has a limited number of in-house analyzers, which limits the number of quick tests that can be completed each day. The clinic has a large capacity to test via the send out lab. Send out tests generally take 2-5 days for results to be returned.
MOHICAN NEWS
August 15, 2020 Page 12

Welcome everyone to August! Summer is still in swing and we’re ready for a month of fun activities. Our building is still closed, but we are continuing curbside services. For any further information on this, please watch our Facebook page or Website for updates. We’re also starting a new month-long, all-ages game starting August 10. Each week (3 total) will feature a different puzzle to figure out.

Participants send in their answer to that week’s puzzle and are entered for the grand prize drawing of the month, each participant can enter for each puzzle, a total of 3 entries per participant. Check out all the upcoming fun with the flyers attached.

National Museum of the American Indian To Host Virtual Ceremonies To Mark Completion of the National Native American Veterans Memorial
The Smithsonian’s National Museum of the American Indian will host a virtual event Wednesday, Nov. 11, 2020, to mark the completion of the National Native American Veterans Memorial. The event will also acknowledge the service and sacrifice on Native veterans and their families. More information about the virtual event is forthcoming.

The museum planned to host a dedication ceremony and veterans’ procession to mark the memorial’s completion but has postponed these events due to current health and safety guidelines. The museum will reschedule both events when it is safe to do so.
On Monday, August 10, 2020, the Stockbridge-Munsee Tribal Council held a Special Tribal Council Meeting and at that time the following actions were taken:

**Roll Call:** Shannon Holsey; Present
Jeremy Mohawk; Present
