

Using the Toll Free Number 1-833-679-0136

The Stockbridge-Munsee Community has provided toll free number for employees and community members to access information for best practices related to COVID-19 and to direct callers to the appropriate contact resources should they need more detailed information. Unless you have been contacted by a Contact Tracer; do not call a contact tracer to access or provide information; use the Toll Free Number.

Types Of Information Tools

Call Management

The Toll Free line is managed at designated times but callers can leave messages on the toll-free line seven days a week. Information is retrieved daily.

Occupational Health and Community Health Notifications

Callers are categorized as Employee or Community Caller:

- When leaving a message self-identify as an employee or community member.
- Leave your name, contact number and best time to reach you.
- Your information will be provided to the appropriate health contact.
