

Good Afternoon-

I lead Verizon Military Programs and we are hosting a few events for Native American Veterans and were hoping you all could assist us in sharing our events or pointing us to some POC's that could help share them for us.

Join our Native American of Verizon employee resource group (ERG) and the Military Recruitment Team for our virtual event, Hiring Our Native American Warriors, on November 17 from 5 pm – 6 pm ET and our Career Fair on November 23 from 5pm – 6 pm ET.
