

Request for Proposal- Agriculture Class Teachers

January 25, 2022

Seeking individuals (or teams) for teaching classes on gardening techniques, food preservation, or raising animals. Classes can range in time from 1-3 hours in time. Classes can be held at the Stockbridge-Munsee Community or your home garden/farm. Class topics should primarily focus on adult education for those with an interest in starting or continuing a garden/farm. Class topics can be demonstrational or informational in nature.

Proposals should include potential class topics, dates, and cost of supplies. Finalized topic list and dates of classes will be finalized with the Agriculture Agent upon proposal approval. Classes must be completed by September 30, 2022.

Preference will be given to Stockbridge-Munsee Community members.

Honorarium of up to \$200 per class and \$50 per teaching video available. A total of up to 14 classes are available. You can propose to teach multiple classes.

Contact Kellie Zahn, Agriculture Agent, with questions at kellie.zahn@mohican.com or 715-793-3031.

Proposals due on **February 18, 2022, by 12:00pm** to the Stockbridge-Munsee Community Tribal Secretary in an enclosed envelope to the following address:
