Dear Colleagues:

The 21st National Tribal Child Support Association Training Conference is approaching very quickly and we are super excited this year to be in our country's heartland, beautiful Tulsa, Oklahoma at the Tulsa Hard Rock Casino Hotel. This year's conference, "Tribal Child Support - A Full Circle: The Past, The Present and The Future," will be held June 12 - 16, 2022 and we hope to see you there.

As in year's past, we will be awarding the National Tribal Child Support Association Scholarship to high school graduates or those who will entering post secondary educational institutions for the first time. We are so pleased to advise that we intend to offer one (1) \$1,000.00 scholarship to a student from each of the ten (10) Child Support Regions.

This year's essay theme is "**My Tribe - A full circle, the Past, the Present and the Future.**" Students must submit their essays along with a completed application and supporting documents by May 16, 2022.

The NTCSA Board of Directors is requesting your assistance in communicating this opportunity with any students from your program who may meet the criteria as first year post secondary students for the school year 2022-23. The designated purpose of the scholarship is to award financial assistance to young people who have benefited from the efforts of our partner tribal child support agencies.

A fillable application may be found on our website at www.supporttribalchildren.com. We sincerely appreciate your assistance in sharing this information with beneficiaries of your programs and we look forward to assisting in advancing our young tribal people.

Respectfully,

A handwritten signature in black ink that reads "Sandy Cloer".
