- 1. The major use of a Tribal-Owned vehicle shall be for official business. Vehicles are assigned to applicable departments. Non-business miles are not permissible. Each driver must keep a mileage log. Driver's supervisor is responsible for reviewing mileage records. A copy of the mileage log must be turned in to the Fleet Mechanic monthly.
- 2. All Tribal-Owned vehicles will be identified as such with a Tribal seal and Tribal vehicle identification number affixed. Modifications to Tribal-Owned vehicles for personal reasons are not permitted; this includes signs, stickers, antennas, etc.
- 3. Modifications to Tribal-Owned vehicles for operating purposes may be undertaken with the express, written consent of the Public Works Director.
- 4. Installation and/or use of any radar-detection device (fuzz busters) in a Tribal-Owned vehicle is strictly prohibited.
- 5. The use of a Tribal-Owned vehicle for personal gain is prohibited. This includes using a tribal vehicle to deliver goods or services for personal reasons or using the vehicle for car pools where the riders make payments that the driver retains for himself/herself.
- 6. NO SMOKING will be allowed in rental vehicles.
- 7. Operators shall not engage in text messaging while driving.

When the company of family members is desired for business trips, the employee should use his/her own car and request reimbursement at the rate equal to the approximate cost of operating a Tribal-Owned vehicle.
- 9. All personal items and garbage must be removed from the vehicle prior to returning. Your program will be charged a \$20 cleaning fee if the Fleet Mechanic must clean out the inside of the vehicle.
