

Wis-MAC Program Veterans in Healthcare

Heroes for Healthcare is a nonprofit organization administering the **Wisconsin Military Medics and Corpsmen (Wis-MAC) Program** for transitioning, medically trained Veterans to work in civilian healthcare.

HOW WE HELP

Candidates must be within 12 month post discharge and pursue a Wisconsin licence. Wis-MAC Program will help in the following areas:

- One-on-One Support
- Educational Pathway
- Job Placement
- Financial Assistance
- Testing Placement
- Study Material

LICENSED CAREER FIELDS IN DEMAND

Heroes for Healthcare will help you find employment in a medical facility where you will earn income while obtaining your license. Consider education in these areas to enhance skill sets from your military training:

- LPN/RN
- Respiratory
- Therapy
- Radiology
- Respiratory
- Administration

WHO WE HELP

- ★ Army Medics
- ★ Navy/Coast Guard Corpsmen
- ★ Air Force Med Tech
